Meeting [REDACTED] on Wednesday, she just called me; she also said that Ido B=r (the guy at whose house [REDACTED] and I stayed on St Barths - he introduc=d me to Aziz; you said he was working for Michael sailor) has been asking =er about [REDACTED](he saw their connection on Facebook) he is=relatively smart (in comparison with the other members of the interna=ional party world) and I would be careful here.
