Leon, you hire me to produce a work of art. it was not inexpensive. the value far exceeds any other piece in your collection. - by FAR. - It took me 30 years to be able to craft such a work. I understand your desire to modify my work, -C2 in doing so you have brad telling me, just a bit more red., here let me show you, -C2 you yourself pick up a brush and add some strokes. you have=joslin spray water on it to maintain it. I vigorously complain that joslin is ruining my work. . you describe me as zeus, i describe it as artist and a reaction to his work being ruined. however =m aware that you own the work and you have the right to paint over it. tear it up, put it in the closet in the basement. its you=s.

I was told that Toms office is sending someone in, or some people in, to review "some things." brad told me, the partnership account=ng. I know absolutely nothing more than that. though bringing in his team was my idea. Having them review things without even asking for my input, or let alone my direction, is ridiculous. but.. I guess you wanted to save money. ?

The audit has brought to the fore the lack of your=office quality that i have been violently squawking about. ie. =children playing with works of art. . It is inconceivable to me that =A0 John castrucci is still there, joslin part time, but relied on. =A0 joe error prone and brad a corporate bandleader talking about the office's finance team, accounting dept, and directing wendy to do things that are clearly not in your interest. (saving money again ?) its nuts!! . a still non-existent IT dept. impossible, it was the first thing on my list of things that were needed to be done. =C2 Still no trading accounts to speak of, though its prophylactic quality has been discussed over and over during the past three years. computers do not read Page Six. the women at the IRS do. ! =A0 you said your motivation in keeping this group of part timers was = consequence of the high cost of my artwork. . the u=fortunate result was easily predictable. - now

=A0 If you want my and my atelier to continue, I will oversee the audits. take charge of the TRA BRH assignments and review 2012 amendment options!!(note :your redo of the=20 estate fire drill has not progressed very far). Lots of

paper needs=20 to be collected and reviewed, At MY direction. the outside team will be brought in at my expense working for me and you. coming=C2 in for interviews and reviews, . sucession, technology, tax and compliance. investment reporting , , computerized timelines for filings etc. .=C2 household classifications and reporting with a system of best practices. <=r> My goal is clear - to end, not extend , our financial interactions. you will have a m=chine that works , it will not be complex to oversee , to create it,=20 is some thing else . Unfortunatley for us both, the price for =y works has not changed since day one. 40m per year, I m w=lling to discount it to 35 as I did give you a bad number when asked and=should pay an embarassment fine. Im also aware, as you made perfectl= clear . that you have already paid what you consider a great deal of=money, for my work , but again its value exceeds anything else by far in your collection at a cost less than agreed upon. . please also reme=ber that you and i agreed no more demands on my time after the last payment for the big transaction.

OR, =ou can decide that brad , tom , and whomever else you choose can screw with my work and they can oversee your audits .=C2 they are both aware and sensitive to the issue at hand. alan c=uld be brought in but i would be extra careful having paul weiss given access to entire story.

_On an unrelated n=te- you recently seemed shy to discuss certain things. , please be assured I make no judgement on a=y of your activities , whether or not i agree with them . not my=role I am always on your side on the table. I hope your person=l life quiets. you 've had a rough 15 months.

3. Remind me to talk to you about MR
