Jef=rey

=div class="gmail\_default" style="font-size:small">Is it Ok for Future =ech to be on sight 9/19 to install the new Microwave Link at Zorro</=iv> As previously di=cussed they will stay at the bunkhouse, approx 5 to 7 days to complete wor=.

Centurylink have compl=ted install and testing of local loop, which now has been handed over to N=tional group, expected completion of circuit , end of Aug.

do we have your approval?

regards
