Greetings Rich,

Grace of Hermes NYC was most helpful. JE missed the =potential 15% designer discount mark by \$13,050 on the chair and =esk only order and \$3,100 if he had wanted the lamp.

Designer discounts of =5% are considered on orders of \$40K minimum, not including shipping, =axes, etc. They must be approved by the Hermes Corporate office, =here is an application.

I still think if JE wanted a \$100K in furniture they would =ave given him a discount no questions or application asked.

can you please have hermes =evise order for just desk and chair (no lamp)
