It is Cute and in a quiet area about 30 min drive to ski area .=C2♦ Great hiking over in Ophir. I would take a look at that house =nd some properties in Lawson Hill which is like Ophir but closer to town a=d all the summer activities. You will need to leave a 4 wheel drive =ehicle in Ophir . They had a couple of big mud slides this summer wh=ch closed some roads for a while . The market is very soft, take you= time and look at a bunch of stuff. Take a look at trout lake, they =ave some great homes at great prices. A little more remote but beaut=ful. You can ride bikes along the old railroad tracks out in that ar=a. The other area that has lots of lawyers and professionals is in t=e ski ranches. Big lots, close to the mountain , close to town, gree= value. You could get a 4 bedroom for 1 million with privacy views a=d close to everything . You should come in October ,take the house =nd spend three days looking at property. It will be offseason and re=l estate agents will be willing to make a deal.

H=pe this helps:
