[REDACTED] words when Les and I were with her at the hospital were 'oh my god if Mr Epstein were to come visit me I would be the happiest woman in the world'

My gut said I had to tell you this despite the fact that I wasn't going to at first. I know you don't do well in hospitals and I don't want you in uncomfortable or stressful situations. My gut won because it keeps saying = but what if he would want to know
