Jeffrey,
I'd like to email this to Claire,
Do you approve?

Claire,

I noticed your Controller Advertisement does not match your sales brochure y=u emailed earlier. It appears Controller has the wrong photos with the Tail=number. Could you Clarify?

I'd like to confirm that A6-DFR serial # 30884 has 6,110 total time, with 22=belted seats? This is the aircraft of interest.

Could you answer the following questions:

1-Is A6-DFR on MSG-3 Maintenance program?

2-What maintenance facility does the Heavy inspections? (Such as Last C Chec=).

3-When was the Last shop visit / Engine inspection completed on Both Engines=

4-When is the Next scheduled Engine Shop visit?

5-Could you provide "Read Only" access to the Computerized maintenance progr=m for me? I'm mainly interested in HPC Disc cycle life remaining.

6-Do you have a Maintenance Budget for the 1C inspection Due in 2017?

7- the 4A inspection was due August 08, 2016 where was that inspection compl=ted? Would it be possible to review that invoice?

8-Are the engines "On Condition" or Hard time overhaul?

Best Regards,

Larry Visoski
