Gulfstream wood

Jeffrey  
Gulfstream Savannah quick numbers, \$600k to \$700k for all wood in the GIV, estimate is 10 to 12 weeks downtime,.

December this year, we will be due landing gear corrosion inspection, 5 day down time, maybe Eric could accomplish cabin door refinish, and wood panels in need of immediate attention. Hawthorne Aviation in Islip could accomplish medium GIV maintenance requirements.

Our 72 month inspection is due in 21 months from now, approx June 2018,.

Our Engines are due shop Visit as well Sept 2018.

Thx  
Larry
