Subject: Physician Dinner with Dr. Yaacov Anziska in NY 8/15

Jeffrey, let me know if you're interested and I'll try to get a slot.

BofAML biotech analyst Ying Huang is hosting a Physician Dinner with Dr. Yaacov Anziska, M.D, M.S. Assistant Professor in the department of Neurology at SUNY-Downstate Medical Center Program on Monday, August 15th in New York.

Purpose: To discuss treatment of spinal muscular atrophy (SMA). We will discuss latest developments in treatment of SMA with a particular focus on BiIB's Phase 3 trials of nusinersen and the market opportunity for treatment of SMA infants and children.

Host: Ying Huang

Sector Specialist: Dan Lundquist

Corporate Access: Caroline Goodson

Time/Location: 7PM/Midtown location TBA

Format: Group Dinner

Bio:

Yaacov Anziska, M.D, M.S. is Assistant Professor in the department of Neurology at SUNY-Downstate Medical Center. He directs the Muscular Dystrophy Association (MDA) Neuromuscular Clinic and also serves as the Assistant Residency Director in Neurology. Dr. Anziska also has a strong interest in bringing new drugs and treatments from the lab into clinical practice, as well as pursuing the latest genetic testing available in neuromuscular disease. Dr. Anziska treats 12-15 SMA patients per month and is familiar treatments for SMA in Type 1, 2, and 3 patients including nusinersen.
