Hi Gino:

I'm in LA but in the unpleasant process of moving, after 42 years - house too big for wife to upkeep, she prefers Santa Monica beach apartment, and I travel most of the time. Traumatic and nostalgic - thousands of books and papers! We'll be living in Santa Monica as well as NY (when not in China). I'm off to China after the move, and then NY on May 22 for Mother's 100th birthday!

How long are you in LA?

Keep in touch,

Robert
