I don't speak to her and I've lost all form of connection. We can't have a normal conversation, we fight all the time so I prefer not to speak to her at all and stay alone in my room. We are too different and I can't deal with all her problems. I first need to solve mine and be secure myself in order to relate with my mother and with others. I know it's not easy and I admire her a lot of having me raise all by herself but at the same time I can feel she is very fragile. I keep everything inside myself because I don't want her to worry for me so I don't tell her anything and pretend that everything is always ok. I wish I could help her but I don't know how and this makes me anxious and aggressive towards her instead of being nice and kind. She said she doesn't recognize me, that I am a total stranger and doesn't want to see me at home anymore.

[REDACTED] is leaving tomorrow morning to South of France by car with Giacomo and Tomas and she told me to come but I have no money.

My mother is kicking me out of my room and told me she never wants to see me again and that I have to move all my stuff out cause she is renting it in September and she doesn't want me at home anymore.
