Greetings Mr. Epstein,

Christine from the Botanical Gardens called. She confirmed that they are approximately 5 minutes by car from the airport. She is not aware of any place within walking distance that could serve as a landing area for the helicopter.

The Gardens is a non-profit, with a Board of Governors. The Executive Director is Mr. Dewey Hollister. Mr. Hollister is presently off-island.

Christine is the Director of Operations. The Summer hours are confirmed to be 9 am to 5 pm, Monday to Saturday, closed on Sundays.

The admission price is \$6, and they ask that all guests arrive by 4 pm.

=br>

Respectfully, Daphne

Botanical Gardens is 5min from St Croix airport, according to Billy Bolke,. I believe last time, you drove to visit this garden, I can set up a car and driver with Bolke if you elect to go?

airport landing preferred since its only 5min away, ground could be saturated due to rain this past week, my wheels could pug into the ground, on unprepared Landing zone. just my opinion.

thx

Larry
