Subject: Friedrich WS12D10A 12,000 BTU Thru-the-Wall Room Air Conditioner with 295 CFM Air Circulation, 3 Fan Speeds, Heavy Duty 20-Gauge Steel Cabinet, EntryGard Anti-Intrusion Protection, Insect Barrier, Electronic Defrost Control, 24-Hour Timer, Remote Control

Hi sir,

I called several companies yesterday and it looks like this is the only one that would fit in the existing sleeve and the quietest in the market that is 110 volts. And if I call before 1:30 we will have it tomorrow. Please advise.

Thanks
