Greetings LV,

Will the flag be hung vertically or horizontally? Collins Flag can move the grommets to accommodate the flag hanging horizontally if you are planning to do so.

Greetings Rich,

Collins Flag is our vendor.

They can custom order a =0' by 80' polyester flag for \$4,681.80. It would take 2-3 weeks =rom order to ship out from the factory.

The next size down, as listed on their =ebsite, is the 30' by 60' polyester flag for \$1,540.00.

LV,

LSJE uses the polyester =ersus the nylon version of these flags for longer durability.

If you do not think it =s necessary for inside the hangar, and you choose the custom sized =lag, I will request the price for the nylon version.
