Update:

Side panel 90degree floor bracket to be epoxy this week, decor side panel in=tall by Friday, Zed does not need Boat to fabricate rear bench seat, he will take measuremen=s and build a removable rear bench seat, for ease of access to oil filter a=d lower Bilge pump maintenace.

I feel confident I should have boat in paint shop by Aug 1st,, -Aug 1st Boat in Paint shop -three weeks in Paint shop -out of paint shop August 21st -Silvio installs new tubes 1 week, Ready to ship to LSJ by Sept 1st. ?

(Every estimate I've been given except Silvio out Tube guy, has been wrong)= I hope I can deliver Boat to Tropical to Ship by Sept 1.
