I don't like it when the cleaning products have too much scent. It's too overpowering. She must be using a different detergent because I've never noticed this before. I don't like anything to have a scent unless it's perfume or aftershave. Otherwise, it's scent upon scent. If everything has a scent it's too much of a conglomerate of scents. I think you get the idea. I want this rectified by the next time we come!

Thank you for remembering. Very nice of you & kind of amazing. ;) I thought you only listened when Woody talked. I will watch it a little later because Woody told me it was long.
