Good Afternoon

I have been reviewing=the Aircare Access Medical Kits and Defibrillator on LSJ.

Medica= Kits are up to date. We will need to get a new Defibrillator, very old mo=el and in bad shape.

At this point there is no Aircare Acc=ss Medical Kits on GSJ, I do not think we need the large more extensive ki= there, but a standard would be good.

Do you wish to have = Defibrillator on GSJ?

Please advise

Thank=you

Warmest regards

Karen
