attached photos of Stipa Grass=for your review.

the ord=r came in earlier than indicated last week

Sincere apologies I've had to order more stipa grass for this project
I screwed up the count, it should have been 1000- 5 gallon plants no= 500
the existing order will only fill the four smaller beds closest to the center circle.
the inner circle will take 115 plants per bed
the outer circle will take 140 plants per bed
Extra Cost: \$9750.00
The plants are on hold at the nursery in ABQ
Again my apologies
Is it ok to proceed?

regards Brice
