Jeffrey,

David Burch, Bell FLL manager states, exchange price for Roll Actuator is ap=rox \$112K, I Will have confirmed price this morn., We have the option to remove our actuator and send for overhaul, turn time a=prox 3 weeks, will advise cost of overhaul later this morn as well, if they=will quote a price, I'm sure price will depend on findings after te= down evaluation, which could lead to exchange or outright purchase if our=actuator is BER (Beyond Economical Repair).

I still would need to send Bell Mechanic to STT to remove our unit,,

Should we plan to repair our unit or exchange the Roll actuator?

Thx
Larry
