No loaner actuators,.

Actuator Price is \$112k plus labor to install, David Burch is trying to acquire a Better discount from management in Fort Worth, Bell headquarters.

The Actuator arrives in Fort Lauderdale tomorrow / Wed at 8am.

*** I would fly to San Juan tomorrow with the Bell Mechanic at noon. Spend the night in San Juan to arrive in St Thomas Thursday morning 930am... flight= from Miami to St Thomas are sold out for the Noon departure Wednesday,.

We would install the actuator Thursday morning, to be ready for your arrival=Friday morn.

I would have Dave and Chip fly the G550 to Islip on Thursday if Eric agrees to accept the plane,,, then Dave and Chip would fly the GIV to St Thomas Friday morn, I would remain in STT to fly the Heli upon your arrival.

If you don't mind, I would fly the GIV with the Bell Mechanic to PBI Friday=night with you.

Do you approve of this plan? And Actuator purchase?

Thx

Larry
