you can have a code with justin, if he coughs etc. and so on. you can turn on your note taking on your phone and leave it on. arizona is a one party state. with regards to taping conversations. as the tone of the questions might one day be relevant. I would . unless they ask you to leave your phone outside=

Hi.. just had 2 hour phone meeting with Justin and Courtney, his paralegal. was good.. Having a 30 min refresher prep tomorrow before I head into the University for the 4 hour=interrogation. Justin will be in on conference call, and the university attorney will also be in on the conference call.. :) Justin has been very helpful.. got the University to give the name of the only student =in the allegations.. the grad student

I 'hit on' didn't even recognize the name... or photo.. but interestingly when we looked her up on google saw that she was active in the =ecular community.. :) big surprise..

More after the event tomorrow.. think good thoughts. :)
