Subject:	Locate a Clinical Trial Near You - MyClinicalTrialLocator.com

This is Aaron's website not an app it allows anyone to type in any cancer te=m and find any clinical trial or researcher worldwide. It is updated every 2= hours and is in process of being updated with additional information for t=e benefit of patients and researchers. We allow it as a free open platform t=at can be expanded to specific interests. If for instance you type in gliob=astoma and go out 10,000 miles from your location you can see researchers a=d clinical trials worldwide. Look at the map then press for example Germany=and see what is available.
