Thanks Barnaby

Jeff - I'm grateful that Barnaby arranged for us to meet today . You were very gracious to spend the time and offer your guidance . I could use it !

I would love to engage with Lawrence Krauss =n a public dialogue on the nature of reality .

I also thought your idea of asking 25 simple unanswerable questions is a good start !

I'm going to send you a few articles and gal=eys of my next book soon and will await your guidance With love and gratitude deepak
