Jeffrey,  
GIV update:  
Gulfstream is trouble shooting L/H converter,, at this time, all points to B=d Converter again, Pete organized the Warrenty exchange converter arriving M=nday in PBI.

72month GIV

You asked me to remind you about GIV 72 month start date., Current input to Gulfstream WestField MA start date is May 16th with complet=on June 8th., No engine change, earliest I can get loaner engines is July 1st,. Our engine= are not due until Nov 2018,, my goal was to get our engines overhauled Jul= to make the aircraft more appealing to buyers with fresh 10 year engines.,=in case the buyer didn't want to continue with Rolls Royce Corperat= Care.,

Let me know if I should lock in May 16th input? Or delay?

72 month due date is no later than July 1st.,

Thx,  
Larry
