Jeffrey,

GIV update:

Gulfstream is trouble shooting L/H converter,, at this time, all points to =ad Converter again, Pete organized the Warrenty exchange converter arrivin= Monday in PBI.

72month GIV

You asked me to remind you about GIV 72 month start date.,

Current input to Gulfstream WestField MA start date is May 16th with comple=ion June 8th.,

No engine change, earliest I can get loaner engines is July 1st,. Our engin=s are not due until Nov 2018,, my goal was to get our engines overhauled J=ly to make the aircraft more appealing to buyers with fresh 10 year engine=, in case the buyer didn't want to continue with Rolls Royce Corp=rate Care.,

Let me know if I should lock in May 16th input? Or delay?

72 month due date is no later than July 1st.,

Thx,

Larry
