Thanks Barnaby

Jeff - I'm grateful that Barnaby arranged for us to meet today . You were v gracious to spend the time and offer your guidance . I could use it !

I would love to engage with Lawrence Krauss in a public dialogue on the nature of reality .

I also thought your idea of asking 25 simple unanswerable questions is a good start !

I'm going to send you a few articles and galleys of my next book soon and will await your guidance

With love and gratitude
