=ttached photos of Stipa Grass for your review.

the order came in earlier=than indicated last week

Sincere apologies I've had to order mo=e stipa grass for this project
I screwed up the count, it should=have been1000- 5 gallon plants not 500
the existing oder will on=y fill the four smaller beds closet to the center circle.
the in=er circle will take 115 plants per bed
the outer circle will tak= 140 plants per bed
Extra Cost: \$9750.00
The plants ar= on hold at the nursery in ABQ
Again my apologies
Is it ok to proceed?
