Im told that CSFS does not want scandal they see a big future ahead for them as institutions move from london. =A0 . they want continuity. though they also want to be seen as dealing very harshly with wrongdoing. IT will be a very delicate balancing act. Adults needed. interim group CEO? you move to chairman. ? he or she should be a professional with no ties , to personalities. populating boards committees etc with people that you are comfortable with will be a challenge. . Im around until 3pm your time then again later
