Subject: Ken Starr

Jeff: I guess you know that ken starr has been forced to leave Baylor altogether. I like what he said: when the ship goes down, so goes the captain. He's a class guy.
I hope he ends up in Dallas. He'd be great at SMU law school.
I'm going thru due diligence phase now and working on the APA. All good so far.
If you ever decide to sell El Brillo, I'd seriously like to buy it. Do you know calvin klein's ex wife (kelly, I think). She built a terrific, small modern house near yours. Just curious. If it came on the mkt, I'd make a run for it. I like having real estate in great spots - that's my goal.
