As I have been the only thing standing between=you and the Greatest of shit Shows. or in the words of my friend "the=end of his life as he once knew it . I think you will discover it wa= a serious error to growl at the group that you " strongly RESENT! my=outrageous, self- serving, and Ridiculous Claims.!! " then-- =A0 Continue by calling into question both my professional comp=tence and my financial honesty . This defensive nonsense supported s=ley by the preposterous pronouncements of Tom and Joslin accompanied by=C2 Alans fairy- tale survival story of his very first( and last ) Epiphany.=C2 I have, it appears foolishly put at risk my position of =ecades building trust in Wash to stave off a disaster for you =soley out of friendship . I have little alternative but to fully exp=ain the 30m transaction ( he knows I have never borrowed a dime ) re=urn the note minus taxes paid etc. and leave the rest to you and your more=trusted advisors.
