Gary is working a buyer at \$1.4M,, that price will be lower, since that pri=e was discussed before the engine issues were uncovered.

The buy is contacting Manny at FJTurbines to confirm his repair quote,, and=also speaking to Scott Stambaugh regarding the heavy C check quote.,

I told Mark Williams to stand down approaching Manny at FJTurbine to confro=t him with regards to our corroded HPC discs,,

I dont want to burn our bridge at FJTurbines just yet with our investigatio=.

Since it's a good chance IF we locate a buyer soon, we'll need FJTu=bine to repair the engines per their quote.

Do you approve of his approach?

Thank you

Larry
