Strong military history

Bill Hammond recommended I give the Gulfstream pilot a try as a pilot candidate for us.

He was a Gulfstream Test pilot in G450 G550 and GV program, accumulated 9000 hours in these aircraft as a Line test pilot,

He just recently got laid off from Gulfstream during a 1200 person layoff in Savannah  
The past 3 years he hasn't flown in the cockpit, he was assigned a safety management position at Gulfstream,,  
We recently completed G550 recurrent last month

Would you like me to try him on our next flight when we depart Teterboro?

Thx  
Larry
