No Jeffrey the entry hall doesn't need a lot of change, its volume is so large and is part of the decor without changing much, the staircase and the fire place are already beautiful

I trust your judgment , we should consider entry hall change to match your new dining room?

Dear Jeffrey

The rendering of the Dining room is done but I need 2 weeks more to save the samples, one will be only finished for mid-July.

It is classic, chic, strong and fresh !

Not so palatial, I have thought of many ideas, to make palatial but one room in your house it would have been strange in comparison with the others rooms, but I think it will be quite unusual .

You need to see the materials with the rendering or it will be impossible to understand

So if you come to Paris after the 15th of July you will see Florence and me, or I or we will go to NY to present the project.

With my regards

j
