Hello.

=/div>

Lesley sent me questions on Monday regarding her iMac at 71st, s= I'm guessing the boss is / was in town. Did he have any feedback on t=e 6th floor wifi?

The new system allows me\* to mo=itor its connection speeds on my iPhone, so I've been checking it occa=ionally. It looks good on this end (the TimeWarner account is quoted at 50=Mbps down and 5 Mbps up, and it's been consistently exceeding that).=C2

If he loves it, I'd like to expand it to all of 71st, and m=ybe some of the other properties.

\*right=now it's registered to my email address. I'll change it to ap@hbrk=when I'm next in the office and I can sit on [REDACTED]'s email to acce=t the confirmation.

Thank you,
