Rich,

Pilings Plus are planning on starting work on Wednesday June 29th. The plan is to be complete in 4-6 weeks. It may be less. They can only work at low tide. The schedule is based on tides and weather. If it is not low tide between 7:00 am and 7:00 pm they won't be working that day. Please keep me informed if we need to change schedule as work proceeds.

Thank You,
Brian
