It is disappointing that you have remarkably chosen=C2 to argue on the side of both ,alans fairytale and toms'= - joslin=advice -Focusing repeatedly on how much you have paid and ignoring the mul=iples of what you have received - concocting a narrative to si=ply keep from having to pay money . - To fulfill your request re th= note. and in order to maintain my long standing, trusted position=C2 in wash . I have decided that there is no alternative but to fully e=plain the 30m transaction - repay the "note" minus tax =A0 cross our fingers and let your more trusted advisors take o=er.

you might ask alan how the note was going to paid in kin=. without sales tax. ask him to show you the clat projec=ions what assumptions. returns , risk capital gains. mg=t of trusts. accounting for trusts. require distribution. =A0 ask him if debra dies , what do you do about having the art on your wal=s. ask him if before the big transaction had he read the brh agreement .=C2 your biggest asset. .

=C2 please note
