Subject: Re: Marrakesh plots

Designer name: Renee Tassay. I have seen one of his designed house and if looks good. Will let you know the price once they make the calculation. I think a sample designed available, but Better to plan your own design as per your requirements and preferences. Yes construction will start on other plots as well. Might take two years to complete or maybe less according to respective architect.

There are 2 other options which I'll send you. But the one sent earlier was suggested by Shk. Hamad.

Please =ee the attached Marrakech plan. Plot No. 1, (46,114 square) is the o=e Sheikh Hamad has specially marked out for you. This plot as you ca= notice, entirely faces the Golf course in the front and has only one♦=A0adjacent plot to it, which will be for Shk Hamad's brother.♦=A0 There are roads on both the left and right sides of the plot.

We had another option to split the plot no. 1 into two plo=s, each plot facing the golf course. However, we feel this will be m=ch better for you. The buildings marked in the plot are only for pre=iminary indication purposes. The interior designer is also ready for=the project. Shk Hamad will only charge you the cost price for the p=ot; the price at which he brought the land. Additionally you will ha=e to pay the 6% government registration and related charges.

Check the plan and if you have any comments, modifications=or changes required, let me know. Marrakech is very warm =uring day @40 C Evenings are good below 20C and sometimes goes to 1= in the night.
