Hi Jeffrey!
So nice hearing from you:)

On 28th June, 14 and 16 July I have concerts. Until 30th we have to submit our recording to [REDACTED] [REDACTED] and now we are working on the final editing of the recording.

After July 16 I'm basically free (at least for now it seems like I don't have anything planned until August 10) so if you would be willing to see me I would be more than happy to come visit you from July 17th.

In my plans now is to figure out how to get a regular salary as I REALLY want to go live on my own and in some way support myself! Therefore I need to have some kind of financial independence.. With concerts it's very uncertain as you never know how much you can get for the concert as well as you don't know in how many concerts you get invited to play.. I will try to get a temporary working place as a teacher at the [REDACTED] [REDACTED] for teaching at least for some time now while keeping my performing activities. And in the meantime I will need to figure out what else I could do with my profession and life in general :)
