[REDACTED] She's a model and a pilates instructor. I'm not sure how old she is though. [REDACTED]  
[REDACTED] who's also an owner of a studio she works for.

She's with her family in Florida and Bermudas right now (been saving up for a while to bring her little brother and mom to see US).

The kindest girl I've met, very giving. I believe she's a bit shy sometimes but that's good too.
