As i said yesterday, pointing out places where i thi=k my friend might be taking unnecesarry risks has become=tedious and trying. Structures that have been set up 2 years a=o. were done so to give you protection and flexibility, NOT FOR ME&I=; for YOU they required hiring staff that could mana=e these complex entities. you told me over t=e past two years that as i set them up i should be responsible for t=er operation. That was never the deal , never. I have h=ard after -care etc for quite a while. in dec when=you unilaterally decided to pay me much less than our agreed amount =, we agreed NO MORE money discussions NO MORE after care. The =illness has reached its pinnacle when you suggest i am responsible for th= lack of sophisticaiton and thoughtfulness of the 1031 transactions =hat NO one even told me about. asked my advice or gave m= any notice at all before the fact. same as the structure for the CA=if house. I would remind you , though Heather is great,=C2 it was not she that modified the gagosian contract to give you the p=otection that resulted in your having no liablity, though you =ell me she has done these things many times.
