Please s=e the attached Marrakech plan. Plot No. 1, (46,114 square) is the on= Sheikh Hamad has specially marked out for you. This plot as you can=notice, entirely faces the Golf course in the front and has only one =djacent plot to it, which will be for Shk Hamad's brother. =here are roads on both the left and right sides of the plot.

We had another option to split the plot no. 1 into two plots, =ach plot facing the golf course. However, we feel this will be much =etter for you. The buildings marked in the plot are only for prelimi=ary indication purposes. The interior designer is also ready for the=project. Shk Hamad will only charge you the cost price for the plot;=the price at which he brought the land. Additionally you will have t= pay the 6% government registration and related charges.

Check the plan and if you have any comments, modifications or =hanges required, let me know. Marrakech is very warm duri=g day @40 C Evenings are good below 20C and sometimes goes to 14 in=the night.
