Keep getting calls from that guy doing a book on you -- John Conno=ly. He seems very interested in your relationship with the news media. I t=ld him you were a hell of a guy:) One oddity: he said he had been told tha= that quote from Trump about you in the original NY Mag story had been man=factured. ie, that I did not actually speak to Donald. Which is bull shit =f course. I am sure that is what Trump told him as they have been getting = lot of questions from reporters about you.

He =ctually seemed to be a sensible guy/solid reporter -- just from the few co=versations I had with him. I think he is close to finishing up.

Did you ever speak to him?
