Dear Jeffrey,

Here is the link =o the indoor skydiving website:

The wind tunnel is located about 20 minutes d=ive from the UES. Highly recommend! As I've mentioned before after a f=ying session the body feels toned and massaged with less gravity and the s=rotonin level is significantly elevated! Spinning in the air is optional a=d doesn't usually happen if not requested and all the concerns are alw=ys discussed prior to the session.

I was very hap=y to meet you yesterday, thank you for creating the spot for me in your sc=edule! Enjoy your time wherever you decide to go and I hope to see you ver= soon!

Nastia.
