Please see the attache= Marrakech plan. Plot No. 1, (46,114 square) is the one Sheikh Hamad=has specially marked out for you. This plot as you can notice, entir=ly faces the Golf course in the front and has only one adjacent plot =o it, which will be for Shk Hamad's brother. There are road= on both the left and right sides of the plot.

W= had another option to split the plot no. 1 into two plots, each plot faci=g the golf course. However, we feel this will be much better for you= The buildings marked in the plot are only for preliminary indicatio= purposes. The interior designer is also ready for the project. =A0 Shk Hamad will only charge you the cost price for the plot; the price a= which he brought the land. Additionally you will have to pay the 6% =government registration and related charges.

Chec= the plan and if you have any comments, modifications or changes =A0required, let me know. Marrakech is very warm during day @40=C Evenings are good below 20C and sometimes goes to 14 in the night=
