**Subject:** Hover Board for Ariane's Daughter

Valdson tried to order a hover board for Ariane's daughter from =amazon in Paris and ship to Geneva but it will not allow him. I had =old Ariane we were working one more angle to get the hover board to her =daughter and she replied with the below:

Thk you . Really if it s too complicated , it s not worth the hassle

Ariane de Rothschild

Unless we have a contact in Geneva that could try and order this hover =oard and ship to Ariane's daughter, I'm really out of =deas!? Shall I tell Ariane we have exhausted our ideas to get a hover =oard to her daughter?
