We had a fabulous meeting with the COE yesterday.=C2 We are good to move ahead with permitting both dock alternatives and=the temporary barge landing.

That being said we need to now get the docks designed. I would suggest that=I get proposal for you form Jeff Bateman, he does a good job and is respec=ed by the COE.

I'll send you a map of my final locations a little later today, my comp=ter is dead so it'll have to wait until I can get to plug it in late t=day.

As soon as we have plans we should be able to submit for permits within a w=ek.

We also had a great talk with federal fish and wildlife and they want to wo=k with us.

Cables no one sees any issues so it now just push WAPA.
