Hello Daphne. We received the wire transfer to=ay in the amount of \$15,750.00. Thank you for the prompt payment.=/u>

When we received the manufacturer's quote on 5/3=, they quoted us a 4-5 week lead time which we passed along to you. =pon receipt of the wire transfer today, I contacted the pole manufacturer =o get the order into production. They have changed their lead time to 8-12 weeks based on orders they currently have =n house. I have asked for expedited production but they can't pr=mise me anything.

With this being said, I would like to offer you a wh=te powder coated aluminum pole that can be delivered to the freight forwar=er in about 3 weeks. We will discount the pole by \$500.00 to a price=of \$12,855.00. Freight would remain the same.

Please let me know your thoughts ASAP. I have =laced the order on hold with the fiberglass manufacturer until I hear from=you. I am very sorry for the increase in lead time, but the manufact=rer produces orders as they are received.

Kindest regards,

Holly D. Grace
