Subject:	FYI-Hoverboard for Ariane's daughter

Just want to keep you up to date on the hover board for Ariane's daughter. W= are now trying to see if Valdson can order one In paris and ship to Geneva= Valdson wants to try and do this tomorrow when Maria is with him for supp=rt I assume. The hover board company here in US told me they could send fr=m the US for $75 to Geneva but I have yet to get the right person to call m= back to do this for me. Should I update Ariane that we are "still working=on this for her"?
