Jeffrey,

The excerpt you have attached below is from the Schedule H of gaming commission filing from 9.30.15 file, not from the current 3.31.16 report file you received last evening.

Schedule H from the 3.31.16 Gaming commission filing is in fact consistent with the 2016 cash flow I sent you this week. It has the fmv of the plane and boat at \$14mm and \$15.175mm, respectively which are consistent with the numbers in the cash flow. The plane fmv of \$14mm is referenced on SCH H of the 2016 cash flow file and the boat fmv of 15.175mm is on SCH E of the same file.

Let me know if you have any additional questions,

Joe
