i spoke with Steve last week and again today about what amount he believes is fair that he should receive back in this deal. attached schedule shows that steve invested 408,000 and loaned 40,000 to paul which was used for 124 parc so his total invested is approximately 448,000 (subject to final thorough review). steve understands that per agreement he is entitled to \$0. after some back and forth steve proposed that of the approximately 300,000 remaining in this deal after all bills are paid he receive 180,000 and jee receives 120,000. steve said that he is comfortable with whatever decision you make and was a gentleman on the phone.

please advise
thank you

The checking account current balan=e is \$4,729.18 and we are due a credit of \$67.85 from the City of West Palm=Beach for water/sewer. It will be mailed to me and I will deposit it in the=account. I think all other bills have been paid.

Please see attached the a=counting of my deposits into the 124 Parc Monceau, LLC account. I inc=uded the \$40,000.00 I loaned to Paul. When you examine the bank recor=s you will see I made all deposits except for a few in 2013. I think the \$9=000.00 deposit made on 12-11-2013 is also mine and I am trying to determine=from what personal account I made the deposit. That would increase my total=investment by \$9,000.00 as it is not included in my list.

Interestin=, Charlie Barnett found photocopies of the check register among Paul's pape=s. No actual checkbooks or registers have surfaced. The register shows I ma=e a December deposit but the amount & date are not listed (I think this=is the \$9,000.00 deposit). Paul listed himself as the source for only the f=llowing:

<=pan>10-22-2013 20,000.00
11-0=-2103 5,000.00
11-03-2=13 5,000.00
